

Hi Year 2!

We hope you are well and all keeping safe at home. Over May half term we will not be providing any online learning but instead we would like you to have some fun with those you live with. Please feel free to choose from any of these activities or think of some of your own!

Create an obstacle course inside or outside. Who can complete it the quickest?	Learn how to tie your shoe laces! https://www.scouts.org.uk/activities/tie-a-rabbit-s-tale/	Play board games, card games or complete a big jigsaw puzzle.	Make your own salt dough and use it to make models. https://www.learning4kids.net/2012/12/09/how-to-make-salt-dough-recipe/
Make your own simple musical instrument using empty cardboard boxes and containers. E.g. you could make a guitar by stretching rubber bands over an empty box.	Look online to find a dance routine to learn or create your own routine to a favourite song. Why not try Cosmic Kids Yoga as well? https://www.youtube.com/user/CosmicKidsYoga	Put a little washing-up liquid and water on a plate and mix in the centre. Put straws onto the plate and see who can blow the biggest bubble!	Make invisible ink using lemon juice and a few drops of water. Use a paintbrush to write a secret message on paper, then place the message on a radiator or in the sun. https://www.sciencekids.co.nz/experiments/invisibleink.html
Cloud watching - What shapes and animals can you spot in the sky?	Ask an adult to help you go on the internet to learn how to say 'hello' in different languages. https://www.youtube.com/watch?v=nnVmsWIh_d0	Make a fort or tent out of blankets/furniture inside or venture outside to create a den!	Have a cinema day at home! Make some popcorn and watch a favourite film together.
Put seeds or the ends of things you've eaten (such as carrot tops) into water and see if you can grow them.	Guess the animal - Without making any noises, act like an animal for others to guess. Can you act like an elephant, a penguin or a cat?	Mindfulness - Put on some relaxing music or nature sounds and complete some mindfulness colouring or create your own.	Make a time capsule. What would you put inside a box to open in one, five or ten years time?
Make a bird feeder and watch to see which birds visit your garden. Do you know the names of these birds? https://www.bbc.co.uk/cbeebies/makes/bird-feeder	Make a family tree, either just on screen/paper or go 3D! Add photos and stories about each person.	Follow a recipe. Bake a cake or help prepare a meal for your family. Make sure there is an adult who can help you.	Shadow drawing - On a sunny day draw around the shadow of any object onto a piece of paper or use chalk on the floor. How does it change throughout the day?

Following half term we will continue to put work onto the Year 2 Class Page for you to complete each week. Hopefully it won't be too long before we see you again but in the meantime please stay safe at home and keep having lots of fun!

We miss you!

Miss Price, Mrs Walker and Mr Underwood ☺
