

Year 2 at Home Learning Pack

Maths

Please complete the Maths booklet, which covers all areas of learning. There are 3 levels of difficulty, work through what your child is able to do.

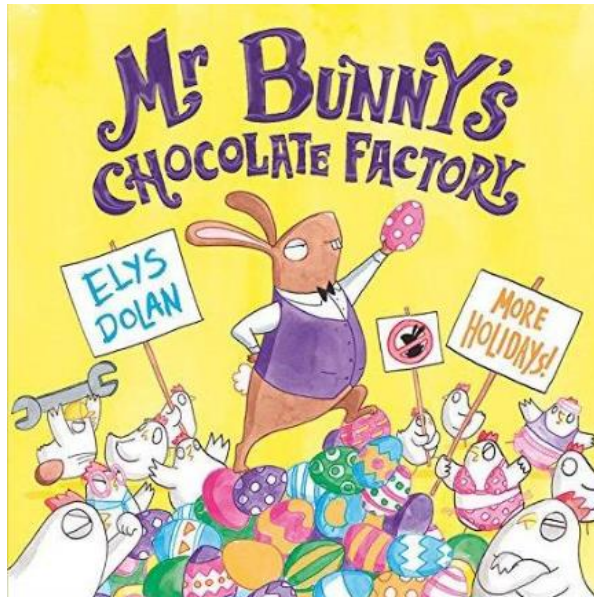

Times Table Rock Stars website is available to practise times tables (children have already been given logins).

Reading

Please complete the Reading booklet, this offers a range of activities. There are different levels, please support your child to do as many as possible.

Literacy

We have just started reading Mr Bunny's Chocolate Factory. Write a story about your own chocolate factory.

Science

We have been learning all about living things. Research your favourite animal and make a fact file.

Topic

As we are doing an artist study on Carl Warner, research some of his work and recreate one of his 'foodscapes'.

Other useful websites:

Spelling Shed - practise your spellings (children have already been given logins).

Phonics Play - free access to practise phonics.

Twinkl - free access to practise all areas of learning.

On the school website, other booklets will be uploaded for you to work through at home.
