Dear Parents and Carers,

This half term our topic is called, 'Terrific Transport.' We will be looking at different modes of transport and share our experiences of using them. We will talk about the important role emergency service vehicles have to ensure we stay safe and we will discuss the importance of road safety. Further information can be found on the school website.

The texts we will be focusing on are:

Getting ready for Reception—Transition

To prepare our children for their move into reception, a transition timetable has been developed to ensure the process runs smoothly. Over the course of the Summer term, reception teachers will visit nursery. They will spend time in the classroom getting to know the children and building those relationships early to settle any transition nerves.

Queen's Jubilee Celebrations

On **Thursday 26th May**, we will celebrate the Queen's Jubilee in school. Children are invited to come to school dressed in **red, white and blue**.

Further information to follow.

Sports Day

If the weather permits, the nursery sports day will take place on **Thursday 30th June at 9:30am**. Please can children come to nursery dressed in appropriate sports wear and trainers. If it is hot and sunny, please provide a sun hat and ensure sunscreen has been applied.

Nursery Graduation

On **Tuesday 12th July**, you are invited to attend the Nursery end of year graduation assembly. The graduation ceremony will take place in the main school hall at **1.30pm**. We have arranged for the school photographer to take official photographs of the children in their gowns beforehand.

Following the ceremony, we will take the children back to the nursery classroom for a graduation party. You will be able to collect at the usual time.

Treasure Tokens

At Burnwood, we highly value your input in your child's learning. In recognition of the importance of parental involvement, we would love to hear from you about the things your child enjoys or achieves. It helps us to create a 'well rounded' picture of who your child really is. We will be sending home **'treasured moment slips'** for you to record anything of interest that you'd like us to celebrate in school. This can be a small or large achievement. Every returned slip gets placed inside your child's electronic learning journal to form an ongoing record of their achievements and progress.

Sun Safety

Summer is just around the corner! Please ensure that on hot and sunny days, you apply sun cream to your child and provide a suitable sun hat for them to wear. Labelled bottles of sun cream can be sent into nursery for your child to apply or reapply when needed.
