

Home Learning Year 1

Week beginning: 30.03.2020

This week our story focus is... **Handa's Surprise!**

To listen to the story follow this link:

https://www.youtube.com/watch?v=XyIV_xYiOas

This week our maths focus is: Weight Can your child...

- compare the weight of two pieces of fruit (or other available objects), using the language heavy, light, heavier, lighter correctly?
- order 3 or 4 pieces of fruit by weight, using the language heaviest and lightest correctly?

- find objects around the house/garden that are heavier or lighter than a given object? Make some balance scales and find something that is the same weight, can you make them balance?

- use the scales in the kitchen to weight different objects (or cooking ingredients) and discuss which is the heaviest?

Other activities to complete this week:

- Use available resources to make your own basket, how many objects can you carry in it? Can you decorate it?
- Write instructions for making a basket. Write a list of the equipment that you used and the method.
- In your garden retell the story- go on Handa's journey using toys and fruits, can you remember the order of the animals?

Other stories to read: (search on Youtube if you don't have a copy)

Rumble in the Jungle, Dear Zoo, "Slowly, slowly, slowly" said the Sloth, Walking Through the Jungle (Barefoot Books song)
